

Deluxe 3-Day Emergency Kit: Cost = \$12.00

Kit contains

- 1 - 2400 Calorie Food Bar (12 Wafers)
- 9 - Water Pouches (4.227-fl. oz.)
- 1 - 4x6 Emergency Solar Blanket
- 1 - Emergency Poncho
- 6 - Individual Moist Towelettes
- 1 - Pocket Tissue Pack
- 1 - 12-Hour Safety Light Stick

Benefits:

- ✓ Kit Follows Child and will be Sent Home at the End of the School year
- ✓ Has the Proper Nutrition and a 5-Year Shelf Life
- ✓ Less Time/Effort than making your own
- ✓ Cost Effective - Would Cost You More To Make Your Own Kit Every Year
- ✓ All Children Have the Same Supplies
- ✓ Child Has Items Necessary for Survival
- ✓ Can withstand extreme temperatures - Can be stored outside or inside

The food/water are vacuum-packed, have superior packaging materials for optimum durability, and withstand temperatures from -22° to 149° degrees. Bars are great tasting, have 100% of all essential vitamins and minerals, non-thirst provoking, a 5-year shelf life (date stamped for expiration), are U.S. Coast Guard Approved, and cost effective. The solar blanket is made of thermal material evolved from space exploration and retains 90% of user's body heat. It can be used for ground cover or shelter from elements.
