

I KNOW MY STATES

Dear Parents and Students,

Once again, the Crescent Elementary PTA will be sponsoring the “I Know My States” program. This program is designed to encourage our students to become more familiar with the United States geography and will be offered to all students in grades K-6th.

Testing dates are as follows:

Monday, March 15th
Wednesday, March 17th

Testing will be held during the lunch recess. After finishing their lunch, students taking the test should go to the cafeteria. *Students please bring a pencil with you.*

The students who correctly identify all fifty states will be recognized in the school newsletter and invited to a “Nifty Fifty Pizza Party” to be held on Wednesday, March 24th during lunch.

A United States map and a list of the fifty states can be found on the PTA website at www.crescentpta.org for studying purposes. Students may write the name of the state or use the corresponding number to identify the state.

The following are some helpful websites for practice:

This is a fun and challenging opportunity to master the fifty states of the United States of America!

Sincerely,
