

# Explore the Amazing World of Science!

**Enroll Today!**

Visit  
[www.scienceadventures.com](http://www.scienceadventures.com)  
or call 888-458-1812!

**Space is limited!**

**Science Adventures** after-school programs introduce children to the wonders of science in a fun and highly imaginative environment.

### **Science Club Features:**

- Incredible experiments and projects that bring science to life for children in grades K- 6
- Access to the Top Secret, Members Only portion of our website, including exclusive on-line experiments, games and links
- A new take-home project every week
- Clubs led by energetic, highly trained and screened professionals
- Acclaimed, *Science Education Standards* based program

**OFFICIAL CLUB MEMBER GEAR** including membership card, collectable pins, and more available exclusively to club members!

## Top Secret Clubs!

Science Clubs meet for one hour, one day a week at your school.

### **Fantastic Physics**

Discover the secrets of "how things work" including magnetism, cup stacking, laws of motion, catapults and more!

### **Spy Tek**

Your mission, should you choose to accept it, is to decode secret messages and explore top secret spy tools.

### **Astro Adventures**

Join us on a space adventure! Investigate the stars and the mysteries of the universe.

### **Anatomy Academy**

Mix a sports drink, build a working model of a muscle and test your lung power as you discover sports science!

### **Slime Time**

Get slimed! Some of the best science can get a little messy!

# Explore Science Like Never Before- Join the Science Club!

Science Adventures, the nation's leading provider of science enrichment programs to school-aged students, offers innovative, hands-on after school science clubs at your school!

## Science Adventures Presents The Crescent Primary Science Club
