President's Message

As we kick-off 2024, I've reflected on the programs we have coming up. There are still so many fun activities for our kids and learning opportunities for the rest of the year. These cannot be done without all of our wonderful volunteers and support of our community. For us to continue having great events, we need participation and donations. Please come help volunteer at any of our several remaining PTA sponsored programs this year and fill out this [VOLUNTEER](#) form. Together we can have a great year for our kids!

Salisa Douglas, President
